

**Juliana V. Baldo, Ph.D.**

Curriculum Vitae

VA Northern California Health Care System (126R)

150 Muir Road, Martinez, CA 94553

Phone: 925-372-4649

Email: [Juliana.Baldo@va.gov](mailto:Juliana.Baldo@va.gov)

**Current Positions**

Research Health Science Specialist and Associate Director of the Center for Aphasia and Related Disorders, VA Northern California Health Care System

Adjunct Professor, California State University East Bay, Department of Psychology

Clinical Neuropsychologist—California License # 18097

**Education**

- Ph.D., Biological Psychology, University of California, Berkeley, 1997
- M.A., Biological Psychology, University of California, Berkeley, 1993
- B.S., Psychobiology, University of California, Los Angeles, 1991

**Fellowships and Awards**

- NIH NRSA Post-Doctoral Fellowship, 1999-2002
- National Science Foundation, Pre-Doctoral Fellowship, 1992-1996
- Psychology Department Graduate Student Instructor Award, 1996
- Vice-Chancellor for Research Fund, Dissertation Award, 1995
- McDonnell Cognitive Neuroscience Summer Institute Fellow, 1994, 1996

**Areas of Research Specialization**

- Stroke and Aphasia
- Cognitive and Neural Sequelae of Traumatic Brain Injury
- Brain Mapping of Language and Cognitive Deficits in Stroke
- Frontal Lobes and Cognitive Control

**Grants in Support of Research**

2015-2017      Principal Investigator, Veterans Affairs RR&D SPiRE Grant, Mindfulness-Based Stress Reduction for Post-Stroke Depression and Anxiety, \$199,000 (JIT pending)

2014-2018	Principal Investigator, Veterans Affairs RR&D Grant, Brain Biomarkers of Response to Treatment for Apraxia of Speech, \$973,000
2010-2014	Co-Investigator, Veterans Affairs Merit Grant, Language Disorders Due to Fiber Tract Disconnection in Aphasic Patients, \$618,000
2012-2016	Co-Investigator, Veterans Affairs Merit Grant, White Matter Pathway Disconnection and Cognitive Control Impairments in Stroke, \$1,125,000
2009-2012	Principal Investigator, Veterans Affairs Merit Review Grant, Executive Functioning in OEF/OIF Veterans with Traumatic Brain Injury, \$620,000
2008-2011	Co-Investigator, Veterans Affairs Research & Development: PC-Based Cognitive Rehabilitation for TBI, \$630,000
2005-2009	Co-Investigator, Veterans Affairs Merit Review Grant: Executive Functioning in Stroke Patients with Aphasia, \$509,600
2004-2005	Principal Investigator, Mellon Foundation Grant: Role of APOE Genotype in Recovery Following Stroke, \$22,250
2003-2004	Principal Investigator, Mellon Foundation Grant: Role of Inner Speech in Problem Solving, \$3,045
1999-2001	Co-Investigator, Contributing Factors to Post-Stroke Depression in Aphasia, Department of Veterans Affairs Medical Research, \$230,000

### **Professional Affiliations**

- Society for Neuroscience
- International Neuropsychological Society
- Cognitive Neuroscience Society
- Society for the Neurobiology of Language

### **Employment and Clinical Training**

1997-present	Research Psychologist/Health Science Research Specialist VA Northern California Health Care System
2010-present	Associate Director, Center for Aphasia and Related Disorders

2012-present	Adjunct Professor, California State University East Bay, Department of Psychology
2002-2004	Asst. Professor of Psychology, Scripps College, Claremont University
1995-2002 1999-2000	Lecturer, University of California, Berkeley Clinical Neuropsychology Trainee UCSF Northern California Epilepsy Center
2000-2002	Clinical Neuropsychology Trainee San Francisco Clinical Neurosciences
1998-1999	Lecturer, California State University, East Bay
1997	Lecturer, Wright Institute, Berkeley, CA

### University Courses Taught

- Language and the Brain
- Cognitive Neuroscience
- Biological Psychology
- Functional Neuroanatomy
- Drugs and Behavior
- Introduction to Psychology
- Research Methods

### Publications—Refereed Articles

Baldo, J. V., Kacinik, N., A., Beghin, N., Beghin, F., Moncrief, A., & Dronkers, N. F. (in press). You may now kiss the bride: Interpretation of social situations by individuals with right or left hemisphere injury. *Neuropsychologia*.
